# insurance program

## why you need this program.

The United States offers the most comprehensive medical care, but is often complicated as well as very expensive. For a visitor to the United States or a recent immigrant, finding an insurance program that is easy to understand and reasonably priced is often difficult.

As a solution, Inbound USA was developed to provide a simple program to visitors and immigrants.

This is a brief description of the Inbound USA program. Detailed wording is outlined in the Program Summary, which will be mailed to you once you have enrolled in Inbound USA.

## eligibility

This program is available to non-United States citizens who come to the U.S. for business, pleasure, to study, or to immigrate. The program must become effective within 12 months of arrival in the United States.

## period of coverage

1 You may initially enroll in Inbound USA for as little as 5 days and up to maximum of 12 months. If you initially purchase at least 3 months, you may continue to renew coverage for a minimum of 3 months at a time, at the premium rate in force at the time of renewal. Total period of coverage for Inbound USA cannot exceed 12 months (in order to reapply after the 12 months, you must first return to your home country).

**effective date** - Your coverage will begin on the latest of the following:

1. Your departure from your Home Country; or
2. The date your Application and premium are received by Seven Corners; or
3. The date your Application and premium are accepted by Seven Corners; or
4. The date you request on the Application.

**expiration date** - Your coverage will end on the earlier of the following:

1. The date shown on the Insurance Confirmation Card, for which premium has been paid; or
2. The date you return to your Home Country; or
3. 12 months after your original Effective Date; or
4. The day an insured becomes a U.S. citizen or is considered a U.S. resident by the state where they are residing; or
5. The date of entry into active military service.

Upon each renewal, the rates, benefits, and program in general are subject to change.

## renewal.

If Inbound USA is initially purchased for at least three months, one month before the expiration date, Seven Corners will send a renewal notice to the Address of Correspondence listed on the application. If you renew the coverage for 3 or more months (up to 12 months in total), Seven Corners will continue to send renewal notices to you. If you initially apply online, you will have the option to renew in whatever increment you choose (Minimum 5 day purchase). There is a \$5 admin fee each time you renew. If you renew the coverage for only 1 or 2 months, Seven Corners will assume that you no longer require the coverage and will not send another renewal notice. Again, the total period of coverage for Inbound USA cannot exceed 12 months.

## schedule of benefits

If your covered Injury or Sickness requires treatment by a physician, this program will provide benefits for the Usual and Customary (U&C) charges scheduled below which exceed the chosen Per Person Deductible (\$0, \$50 or \$100, or a \$200 deductible for age 70 and over) for each Injury and each Sickness and which are incurred within the 26 weeks following the Injury or Sickness. Payment for any covered service will not exceed the Benefit Maximum shown. The maximum amount payable for all benefits will be no more than \$50,000, \$75,000, \$100,000, or \$130,000 for each Injury and each Sickness.

For persons age 70 and over, the maximum benefit limit is \$50,000 or \$70,000 for each Injury or Sickness. The period in which covered expenses must be incurred is 26 weeks following the Injury or Sickness, and a separate schedule applies.
